

SUMMER SCHOOL 14th Year

1994 was the first year of the Summer School, 14 students participated - fast forward that to the year 2004 and we had 60 enrolled for the course. We have expanded even more by introducing (by popular request) a course designed especially for our young people aged 13 years and under. They will have their own classes but will come together with our seniors for the performance in the James Theatre. The performance day is the highlight of the course for all. Don't forget to bring your friends and relatives to cheer you on that day.

In this country the popularity of Street Jazz and Hip Hop is growing by the minute and by bringing teachers from America we can offer the latest moves in these fields. Jazz dance continues to remain strong in Musical Theatre (think 'Chicago', 'Fame', 'Saturday Night Fever', 'Guys and Dolls' to name but a few). We pride ourselves in bringing the very best of tuition in this technique and style. Places are limited, so book your place NOW.

Our senior course is open to all abilities in Dance from Beginners through to Advanced. Professional / Amateurs / Teachers / Senior Students of Modern. Our junior course is open to all students from 7-13 years (discretionary). Anyone who loves to dance and wants to expand on whatever training in whatever style they have had, then this course is for you.

The final day of the course is performance time. This will take place in the James Theatre, Watford. A technical rehearsal on stage in the morning, followed by the performance in the afternoon at 2.30pm. Here you will be showing all the pieces that you have learnt over the past five days. You can invite all your family and friends, as many as you like, to watch the performance in the Theatre. There will be a small charge for admission.

Good value for money? Yes. Demanding? Yes.
Exhilarating? Yes. Exciting? Yes.
Be There! LET'S KEEP DANCE ALIVE!
